Community Foundation Alliance: Located in a nine-county area in Southwest Indiana, the Community Foundation Alliance incorporates the Lilly Endowment initiative of a community foundation in each county into a regional effort. The collective result keeps administration and governance costs down, while allowing local leaders to focus on building endowment, working with donors and grant making in their counties.

The Alliance has grown to administer 467 endowed funds representing \$57.3 million in assets, as of June 30, 2006, the end of their fiscal year. Those funds allowed for grants of over \$1.3 million to support a variety of charitable organizations and endeavors as well as scholarship awards in excess of \$129,000 to worthy students in Southwestern Indiana.
