Ohio-Kentucky-Indiana Regional Council of Governments: The Ohio-Kentucky-Indiana Regional Council of Governments helps local governments, business organizations and community groups develop collaborative strategies to improve the quality of life and the economic vitality of the region of 198 communities in eight counties within three states.

Among the council's initiatives are:

- Solve interstate dilemmas;
- Create far-reaching development plans
- Break through political bureaucracy
- Provide services to the public;
- Advocate for federal funding.

By focusing the collective strength of organizations within its region, OKI has made an impact in developing plans for greenspace and land use, working with the Regional Ozone Coalition to fight for cleaner air, and finding solutions for water quality issues in Mill Creek.
